1980

There was a great enchanter who weaved a magic spell  
But the years slipped through his fingers and we could never tell,  
Time blew its dust upon our eyes and silt upon our hearts  
Etching hazy figures on these years so set apart.

The wizard wove a tapestry that shone with brilliant hue  
And when I looked upon the scene a life came into view  
From the first unto the last the dreams paraded by  
Until the picture blended friends beneath the blue of open sky.

There was a great believer who sang a mystic song  
His eyes were washed with tears from days now lived and gone,  
But when a magic moment meshed many yesterdays  
A smile, a time, a youth, a life transfigured through the haze

# Fraculty

Educator, parent, and a very understanding human being — these are words that define Mr. John Underwood. Pro football's loss was our gain. Mr. Underwood had a brilliant future in football with the Chicago Bears, but he gave it all up to coach and teach.

After his graduation from college (Murray State University) where he was president of the student body his senior year, captain of the football team, and voted outstanding senior boy, Mr. Underwood coached at several schools, including Murray State and Humboldt. He was also Principal and Superintendent at Trenton, Tn., and Principal at several schools in Paris, Tn. After their stay in Paris, Mr. and Mrs. Underwood moved to Tipton County where he has been the Principal at Covington High for five years.

Mr. Underwood, we fondly dedicate the 1980-81 annual to you. We will never forget your efforts in behalf of Covington High. Best wishes and good luck to you and Mrs. Underwood in your future educational career. Thank You.
